CLASSIC | A SIMPLE & CLEAN FINISH

DECORWALL CLASSIC

Looking for wall panels that offer both high-end luxury and affordability? The Decorwall Classic Range is the ideal choice for you. These panels are far more than just budget-friendly; they embody premium quality at its finest. Crafted with a unique blend of high-quality PVC with reduced chalk content, these panels provide exceptional quality without the hefty price tag. Each panel, measuring a convenient 2.7 meters in length and 25 cm in width, with a robust thickness of 8 mm, combines practicality with upscale aesthetics.

The Decorwall Classic Range offers you a choice of seven different finishes. This allows you to experiment with everything from sleek, modern designs to warm, traditional looks. The panels fit together seamlessly, ensuring your walls exude a cohesive appearance. Choose Decorwall Classic Range for an elegant transformation of your spaces, where luxury meets affordability.

DECORWALL MINERAL

MATCHING EXTERNAL
& UNIVERSAL TRIMS

In pursuit of a wall panelling solution that combines the allure of natural beauty with contemporary design? Look no further than Decorwall Elegance – Mineral. This range is a celebration of the earth's minerals and natural stone materials. Each 300mm wide panel in this collection is not just a piece of decor; it's an embodiment of elegance and modernity.

The Mineral range is defined by its trendy and modern colours. They are finished in a luxurious matt with a subtle texture that enhances the overall feel of opulence. The attractive V groove style fitting adds an extra dimension of elegance. They are ideal for those looking to infuse their spaces with a blend of contemporary style and the timeless beauty of natural elements. Opt for this range to bring an air of refined luxury and natural elegance to your walls, marrying the best of both worlds in wall panelling.

DECORWALL DAMASK

Panel Size

Length: 2.7m

Width: 30cm

Thickness: 8mm

Are you seeking a wall panelling solution that effortlessly blends traditional design with modern luxury? The Decorwall Elegance – Damask range is the perfect choice. This range marks a new addition to the Decorwall portfolio, introducing a unique woven fabric effect that's both classic and contemporary. Each panel, 300mm wide, is not just a wall covering; it's a fusion of traditional elegance and modern design. These panels are tailor-made for those who appreciate a touch of distinctiveness and style.

The Damask range, available in two unique colours, offers a rich, warm bronzed effect and a cooler silver/grey version. The woven fabric effect of these panels brings a sense of depth and texture. This makes them more than just visually appealing. They are a statement in design excellence. Choose this range for a blend of tradition and contemporary, adding a refined touch to any space.

DECORWALL WOODGRAIN

Panel Size
Length: 2.7m
Width: 30cm
Thickness: 8mm

Are you searching for wall panels that capture the essence of natural wood while offering a touch of modern elegance? The Decorwall Elegance – Woodgrain range is designed to meet this very need. These high-quality, 300mm wide panels are a fusion of contemporary style and the timeless appeal of wood. Each panel, with its matt finish and slight texture, offers a luxurious feel, perfectly complementing the modern colour palette. The Elegance range is renowned for its wide array of colour options, ensuring there's a choice to suit every taste.

Inspired by the natural beauty of the earth's woodlands, the Elegance Woodgrain comes in three beautiful finishes. Whether your preference leans towards a rustic, classic, or contemporary look, this range has something for everyone. The panels feature a V groove fitting with a tongue and groove (T & G) style, making them versatile for use in various settings such as bathrooms, studies, or workplaces.

Opt for the Decorwall Elegance – Woodgrain to bring the warmth and charm of wood into your space, combined with the practical benefits and modern aesthetics of PVC panelling.

DECORWALL MINERAL TILE

Panel Size
Length: 2.7m
Width: 30cm
Thickness: 8mm

Looking for a wall panelling option that blends the timeless charm of tiles with the elegance of natural minerals? The Decorwall Elegance – Mineral Tile range is the perfect choice for you. These high-quality, 300mm wide panels are not just about covering your walls; they are about creating a statement. With their trendy colours and matt finish, coupled with a slight texture, these panels offer a luxurious feel, standing out in their sophistication and modern appeal. The Elegance range is also celebrated for its wide variety of colour options, ensuring a match for every preference.

The Elegance Mineral Tile panels draw inspiration from the natural beauty of Earth's minerals, available in three distinct options. Each panel combines the classic beauty of a tile effect with an attractive V groove fitting, offering a traditional style with a contemporary twist. These PVC panels are more than just a practical choice; they are a stylish solution, bringing a classic tile effect right up to date. Whether you're looking to enhance a residential space or a commercial area, the Decorwall Elegance – Mineral Tile range offers the perfect blend of traditional elegance and modern design.

DECORWALL ULTIMO TILE

Panel Size
Length: 2.7m
Width: 50cm
Thickness: 8mm

Looking for wall panels that mimic the timeless look of real tiles? The Decorwall Elegance – Ultimo Tile is your ideal solution. This range stands out with its realistic cut-in grout lines, offering the classic charm of tiles combined with the ease of PVC panelling. Each panel, at a generous width of 500mm, is not just a covering; it's a masterpiece of design, bringing the beauty of traditional tiling into your space with a modern twist.

The Ultimo Tile range, originally inspired by the earth's minerals and natural stones, provides many stylish finish options. These extra-wide panels offer a highly realistic tile effect that's both visually impressive and tactile. Ideal for those who desire the elegance of tiles with the practicality of modern panelling, the Decorwall Elegance – Ultimo Tile range is a perfect blend of style and convenience. Choose this range to effortlessly transform your walls into a statement of sophisticated design.

When fitting the Decorwall Ultimo Tile panels, we recommend cutting from the bottom to ensure the best lining up of grout lines possible. The potential fitting tolerance ranges from 0.1mm to 1mm.

THERMO-SLAT

Are you looking for a modern solution to wall panelling that not only enhances the aesthetic of your space but also contributes to its thermal comfort? Introducing the Decorwall Thermo-Slat range – modern slatted wall panels designed to make your rooms feel warmer and more inviting. These panels stand out with air pockets at the back, ensuring they are warmer to the touch than traditional plaster walls and thereby adding to the overall warmth of the room.

Each wall slat in the Thermo-Slat range is ingeniously designed with a cavity at the back, creating thermal air pockets. This feature is particularly beneficial as it helps retain heat during colder months and keeps the room cool in the summer, offering year-round comfort. The aesthetic appeal of these panels extends beyond indoor spaces; they are an excellent addition to any garden room. Installing Thermo-Slat panels in your outdoor living spaces ensures you can enjoy these areas throughout the year, regardless of the season. Choose the Decorwall Thermo-Slat range for a beautiful and functional upgrade to your living spaces, both inside and out.

DECORWALL

HARDEX 'V' GROOVE

Are you looking for wall panels that offer the perfect combination of toughness and convenience? The Decorwall Hardex V Groove range is precisely what you need. These panels, while similar in durability to the original Hardex range, feature a unique corrugated structure. This design not only maintains the strength but also makes them lighter in weight and easier to handle. Each panel in this range is 600mm wide, offering a practical and efficient solution for wall panelling needs.

A spin-off from the exciting Hardex Solid Wall Panelling series, the Hardex V Groove collection brings a fresh perspective to this robust range. Available in various colours, these sturdy panels are designed with a narrower 600mm width, differing from the original Hardex's wider 1220mm panels. This modification makes them more versatile and suitable for a broader range of applications. Whether for residential use or commercial settings, the Hardex V panels offer the resilience and style of the Hardex line but with the added benefit of being more manageable and adaptable to different spaces. Choose the Hardex V range for a balance of toughness, style, and practicality in your wall panelling solutions.

DECORFLOOR

NATURAL COLLECTION

Are you in search of flooring that combines the latest technology with natural aesthetics? Discover the Decorfloor WPC Flooring, a range that stands at the forefront of flooring innovation. This collection features Rigid Core Solid Polymer Composite technology, representing a significant advancement over traditional solid LVT flooring. It's designed for those who seek durability, style, and cutting-edge composition in their flooring solutions.

The collection includes ten wood effect and ten stone effect tile finish options, each featuring a wear layer of 0.30mm. These options provide a range of aesthetic choices, ensuring that there is a style to match any interior design. Opt for the Decorfloor WPC Flooring with built-in underlay for a sophisticated, high-performance flooring solution that beautifully mimics natural materials.

NATURAL COLLECTION

The Natural Flooring Collection in this range boasts a composite core construction, distinguished by a higher filler content and a higher density compared to standard options. One of the key aspects of this technology is the omission of a foaming agent, which traditionally introduces air bubbles into the core. The result is a thinner, harder, and stiffer plank or tile, offering an unparalleled level of durability and stability.
